

Congratulations Multnomah County IMT Staff!

You have been selected by Multnomah County Health Department leadership as one of a select core group of professionals identified for your knowledge and skills to perform during an emergency as a member of the **Multnomah County Health Department Incident Management Team**.

To perform at a high level during an emergency it is important to be well trained. Therefore, the Incident Management Team is offered the opportunity to attend the DHS courses. All run from 8-5 and are in Portland unless otherwise noted:

➤ Position Specific:

- **ICS Command Positions Course on 8/20 and 9/12:** for IC, SO, LO, and PIO Positions.
 - **ICS General Staff - Operations Course on 8/21 and 9/10** for the Section Chief, Branch Directors and Group/Division Supervisors, and Leaders
 - **ICS General Staff - Finance/Administration Course on 8/24 and 9/13** for the Section Chief, Unit Leaders, and staff aspiring to Unit Leader
 - **ICS General Staff - Logistics Course** for Section Chief, Unit Leaders, and staff aspiring to Unit Leader
 - **ICS General Staff - Planning Course** for Section Chief, Unit Leaders, and staff aspiring to Unit Leader
- **ICS-300: Intermediate Incident Command Systems for Expanding Incidents** - most of our MCHD IMT members have had this – if not, please take it.
- **ICS-400: Advanced Incident Command Systems for Complex Incidents for Command and General Staff.** All MCHD ICs and a few others have had this course. Other Command and General Staff, please take it.

In order to get the maximum benefit from the training, it will be extremely important to have completed all of the following prerequisites: IS 100, IS 200, (Note MCHD IMT members routinely take the 100/200/300 courses. 700 is an NIMS overview and 800 is about the National Response Plan. Both are recommended but not required of MCHD IMT members. They can be taken online and require a few hours each.)

Please respond by registering for the position specific, ICS 300, ICS 400, and any prerequisite courses you have not completed through the Learning Center
