ON LINE FOOD HANDLER TEST NOW AVAILABLE

Environmental Health Services offers online food handler testing as of June 1, 2005. Food Handler workers will be able to take the food handler test online in English, Spanish, Russian, Vietnamese, Korean, Mandarin and Cantonese and be able to print out their food handler card immediately after passing the test.

The new website can be viewed at:

www.oregonfoodhandler.us

or via link at

www.mchealthinspect.org
