

Multnomah County Health Department  
**Community Immunization Clinic (CIC)**

**Public Health**  
 Prevent. Promote. Protect.

# Schedule: June 2008

Open: Tuesdays, Thursdays  
**NO SATURDAY CLINICS IN JUNE**  
 (See schedule below)

## 9:00-11:30 am & 1:00-4:30 pm

**Location: 5329 NE Martin Luther King Jr. Blvd (& Killingsworth) Portland, Oregon 97211**  
 (South end of bldg; ground floor below N.E. Health Center)  
 Bus Routes #6 & #72

### No appointment needed

**For children, a \$15.00 administration fee per injection is requested.**

*No VFC eligible child will be denied vaccine due to inability to pay.*

**Free Lead Screening** for children six months through six years of age.

**Adult vaccination** and titer fees vary depending on type of vaccine or titer.

*Antibody testing is available during weekday clinics only.*

**Please eat something and drink a lot of water before the antibody test.**

**TB Testing: TB Tests are \$25.** Due to the nature of the test, clients must plan on two visits for both the TB shot and the TB read. The TB read must happen 48 to 72 hours after the shot. The best option is to come for the TB shot on a Tuesday and return the following Thursday to have it read.
