April 5 ceremony will honor Public Health Heroes

WHAT

Multnomah County Health Department's seventh annual Public Health Heroes award celebration recognizes the contributions that community members make through their work or volunteerism to protect and promote the health of all of us in Multnomah County.

"The public health system's ability to serve the working poor, uninsured, and medically under-served depends on the commitment of an extensive network of community organizations and individuals, or 'Public Health Heroes.' We're honoring those who work to make Multnomah County a healthier place to live," states Health Department Director Lillian Shirley RN, MPH, MPA.
