## Multnomah County Health Department offers HIV testing at Portland Pride Festival

Contact: Ronnie Meyers, Health Department, 503-988-3030 Ext. 25677

Multnomah County Health Department will offer free health screenings June 16 and 17 at the Portland Pride 2007 Festival. The Multnomah County Pride booth will be located at the downtown Portland vendor fair in Tom McCall Waterfront Park. Booth hours are 1:00 pm to 5:30 pm on Saturday and 1:30 pm to 6:00 pm on Sunday.

All participants can receive a free HIV test. No-cost testing for syphilis and hepatitis C, and vaccinations for hepatitis A and B will be available to those who meet the eligibility criteria. All services are private and confidential. The booth will also feature a resource area with health information on a wide range of topics including HIV, STDs, and other health department services.
